

## EXTERIOR FEATURES AND BENEFIT

<p><b>SPORTSCOACH BUILT ON FREIGHTLINER CUSTOM CHASSIS</b></p>	<p>FREIGHTLINER Custom Chassis features V-Ride Rear suspension that reduces the sway of the coach when making turns and the Bell Crank design/steering gear location in the front provides a smooth steering response under all conditions and virtually eliminates bump steer. Our raised rail models are powered by a 360 Cummins with 800 Ft. Lbs of torque. Our straight rail models have a 340 Cummins with 700 Ft. Lbs of torque.</p>
<p><b>NOBLE SELECT GELCOAT SIDEWALLS WITH AZDEL</b></p>	<p>EVERY SPORTSCOACH is custom painted by our in-house paint shop utilizing SIKKENS Paint and for added UV protection and to protect our customer's investment, we utilize our X4 Clear Coat which doubles the protection versus our competition. Of course, under our Gelcoat, we use Azdel backer in our Noble Select Sidewalls, which includes a 3 year warranty! Azdel is half the weight of wood and 3 times the insulation value over wood substrates.</p>
<p><b>DIESEL GENERATOR MOUNTED ON SLIDEOUT TRAY</b></p>	<p>The Diesel Generator is easy to access as it's mounted on a manual slide tray. Simply pull the T-handle in the service compartment located under the driver's seat and no more stretching inside a hood access for simple routine maintenance.</p>
<p><b>TREAD LITE DOUBLE ENTRY STEP</b></p>	<p>The double TREAD LITE power step has lightweight aluminum step treads, automatically extends and retracts quickly and features obstruction-sensing technology that stops deployment if any obstructions are encountered.</p>
<p><b>EXTERIOR ENTERTAINMENT SYSTEM</b></p>	<p>Every SPORTSCOACH comes standard with a 40" or 32" Samsung Exterior TV and Samsung DVD Blu-Ray player for tailgating and nighttime family movie time!</p>
<p><b>DOMETIC A&amp;E ELECTRIC AWNING</b></p>	<p>No skimping here. Standard on each Sportscoach is a METAL-WRAPPED, Color Coordinated FABRIC awning, not a cheap black vinyl as most manufacturers use.</p>
<p><b>FULL ALUMINUM SLAM LATCH BAGGAGE DOORS</b></p>	<p>Slam-latch FULL-size Aluminum insulated baggage doors with 1.5" Automotive bulb seal provide a tight seal and allow more room to access the full basement storage. Some manufacture's construction only allows for a half a door to access their storage.</p>
<p><b>WASHER AND DRYER PREP</b></p>	<p>Every floor plan provides a Washer and VENTED dryer prep package. Don't be fooled by the ventless dryers of competitive models. Vented dryers are much more efficient and economical.</p>
<p><b>ONE-PIECE FIBERGLASS ROOF</b></p>	<p>SPORTSCOACH is equipped with a ONE PIECE pebble-grain fiberglass laminated roof, which allows better traction while maintaining the coach. Also comes with a satellite prep package that easily identified on the front center of the coach.</p>
<p><b>COLEMAN MACH 3 ROOF AIR CONDITIONERS</b></p>	<p>Coleman Mach 3 Roof 13.5 Air Conditioners are standard, much quieter than most competitive models and a popular upgrade are the 15.0 models with Heat Pumps, which saves on LP</p>

## INTERIOR FEATURES AND BENEFIT

<p><b>FREE-FLOATING FLOOR SYSTEM</b></p>	<p>EMSER TILE is a glazed porcelain tile that is found in motorhomes costing nearly \$1 million. Bringing million dollar features to this price point is what every manufacturer strives for but we're the ones that actually do it! The tile is unique in that it is adhered to the plastic carrier and we only glue it down around the perimeter, which creates a free-floating floor system – end result....minimizes the chance of cracking tiles due to the constant twisting and flexing while driving down the highways...</p>
<p><b>MyRV MULTIPLEX WIRING SYSTEM</b></p>	<p>Leave old switch-based analog technology in the dust with the OneControl® mobile app for the MyRV Multiplex wiring system. This technology lets users remotely control and monitor many RV systems from a smartphone, which will have the same display as the wall mounted control panel.</p>
<p><b>SAMSUNG TELEVISIONS</b></p>	<p>SAMSUNG televisions are standard in the Living Room, Bedroom and Optional in the Front overhead. While most manufacturers use off-brand, we go a step farther and match each TV with a SAMSUNG DVD player</p>
<p><b>SALON BUNK OPTION</b></p>	<p>The VERY popular SALON BUNK is optional in the 360DL, 404RB and 408DB. Easily drops down into a bunk with a 600 lb. rating or can be used as extra storage like a dropdown pantry! Great place to store valuables and can be locked for security</p>
<p><b>SOLAR AND PRIVACY SHADES</b></p>	<p>The front windshield has a POWERED Solar and Privacy screen and are manual ones are installed throughout the entire coach. Don't be fooled by competitors that only offer privacy shades!</p>
<p><b>AXXERA RADIO WITH SMART PHONE DUAL-MIRRORING</b></p>	<p>The 10.1" Axxera Radio Bluetooth Multimedia Center allows Smart Phone Dual-mirroring, Color back up monitor and wireless remote. Many features to offer with dual-mirroring, even security</p>
<p><b>UPGRADED WILLIAMSBURG FURNITURE</b></p>	<p>Upgraded and very fashionable furniture packages are standard in every Sportscoach. The designer Nail Heads on the sofa are also complemented / incorporated into the bedroom headboards</p>
<p><b>SOLID SURFACE COUNTERTOPS</b></p>	<p>LG HI-MACS counters are throughout the coach with décor-specific matching to the floors and shower walls. Look close because most competitors use a thermofoil countertop in all places other than the kitchen</p>
<p><b>CHEF'S CHOICE GALLEY</b></p>	<p>Each galley comes with a huge "Farmer's sink", custom spring chef's choice faucet and pop-up USB charge ports and a FULL color-coordinated subway tile backsplash</p>
<p><b>SOFT TOUCH VINYL CEILINGS</b></p>	<p>The vinyl padded ceiling is great for aesthetics and sound "insulation". LED lights throughout are much more efficient and cool to the touch. Over the driver seat is where you'll find the King Jack Television antenna as well, which will pull in many digital channels</p>
