GVWR (Gross Vehicle Weight Rating): The maximum permissible weight of the unit, including the unloaded vehicle weight (UVW) plus all fluids, cargo, optional equipment, and accessories. For safety and product performance, do not exceed the GVWR.

GCWR (Gross Combined Weight Rating): The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment, and accessories.

Important Note: All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people, or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids, and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which

seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including prices, colors, materials, equipment, and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design, or specifications that are material to your purchase decision.

© Copyright 2017 Coachmen RV, a Division of Forest River, Inc. - All Rights Reserved

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible because of the following reasons:

1. Forest River, Inc. dealers are independently owned and operated businesses, so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
2. Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
3. Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian dealer is a professional at meeting these requirements.
4. Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

Travel Easy™ Roadside Assistance!

RVing is easier with Coachmen's Travel Easy™ Roadside Assistance provided FREE the first year of ownership to those who purchase a New Coachmen RV. Administered by Coach-Net, this service provides you with 24/7 operational, technical and emergency road service coverage. Also included is towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic, and unlimited technical assistance. Anywhere. Anytime. Travel Easy™ is the security of knowing that help is an easy phone call away.

THERE'S ALWAYS ANOTHER HORIZON

MIRADA
BY COACHMEN

THE COACHMEN ADVANTAGE

What is the Coachmen advantage? It's the collection of unique features offered in a Coachmen motorhome to ensure a smoother ride, a better camping experience, and a motorhome that will last for years.

1. **NOBLE SELECT™**
Protected by a three-year warranty, these sidewalls have a high-gloss gelcoat finish to prevent fading. They are also 20% lighter than wood substrate sidewalls, provide more occupant cargo carrying capacity, and offer three times the insulation against extreme climates.
2. **AZDEL™ COMPOSITE**
Most manufacturers use wood sidewalls that can expand, swell, and eventually mold. We use Azdel. It's impervious to water, won't rot or mold, and, with less than a 1% chance of delaminating, it ensures the long-term integrity of the sidewalls.
3. **REINFORCED LAMINATION**
We vacuum bond and pinch roll every sidewall and floor, then perform a pull adhesion test. Most manufacturers just do one process or the other, but by doing both we improve the strength and longevity of the sidewalls.
4. **ELONGATED WHEELBASE**
We offer longer wheelbases than other motorhome manufacturers because that means superior weight distribution. The result? Better handling and a smoother ride that results in less driver fatigue.
5. **SITE RITE DASH™**
Our dashes are angled 20 degrees forward. This increases the line of sight for the driver, and offers the best road visibility on the market.
6. **EVEN COOL DUCT™**
Our patented duct system evenly disperses air through the whole coach. And we use Amaco ducting instead of Styrofoam because it's antimicrobial, preventing the growth of bacteria and ensuring a cool, clean coach in even scorching heat.
7. **DIGITAL OWNER'S MANUAL**
Our owner's manuals are easy to access through the Coachmen website or our free app. Supplemented with videos, Power Points, and more, it's got all you need to know about your coach.

EXTERIOR COLOR OPTIONS

The new Mirada offers three exterior styles for you to choose from.

Full-Body Paint – Claret (Optional)

Full-Body Paint – Mist (Optional)

Partial Paint with Vinyl Graphics (Standard)

Coachmen's exclusive MACH dash (multi-accessory control hub) makes driving easy and enjoyable. Featuring a workstation, USB and electric outlets, and a fiberglass engine cover with built-in drink holders, you'll love using it as your base of operations.

YOUR HOME AT THE EDGE OF THE WORLD

No matter how distant the horizon, you can count on Mirada to get you there.

That's because Mirada comes with a suite of all-new standard features that offer better comfort and more style than ever before.

These new features are designed with you and your passengers in mind, so you'll find the interior feels less like a vehicle and more like a home. Relaxing, comfortable, and spacious, the Mirada offers a sense of stability and sanctuary while you're out on the road.

Of course, there are also all the features that you don't see—the sidewall and body upgrades that make this our most durable Mirada yet. With four floorplans to choose from, you can select the layout that's right for you. So no matter how far out your adventures take you, you'll never feel too far from home.

Mealtimes are better when you're seated on our new fabric-leatherette combination dinette, with upgraded foam package cushioning.

After a day of exploration, come inside and unwind in front of the warmth of a fireplace and big-screen LCD television (35LS).

HOW'S THIS FOR A SWEEPING VISTA?

The large interiors of Mirada leave plenty of room for these standard features:

Solar shades throughout the interior keep our motorhomes nice and cool, while also offering you privacy.

Continuous composite flooring from Beauflor™ is comfortable on bare feet, but rugged enough to resist tears, rips, and gouges.

Brushed nickel hardware and a high-gloss wood grain combine to create a highly attractive interior.

All of Mirada's new features are designed to be user-friendly, including the upgraded self-closing drawer guides that safely secure contents during transit.

ROOMY— WITH A VIEW

No matter where your travels take you, everyone needs a place to call home. That's why we designed the Mirada with domestic comforts in mind. Featuring a cozy bedroom, a full bathroom, a comfy dinette and more, you'll be stunned when you see just how much we've fit in our new floorplans.

The attractive glass tile backsplash, solid surface countertop, and stainless steel appliances of the galley aren't just attractive—they're also a cinch to keep spotless.

Featuring a comfortable Serta mattress, bedspreads, and pillows with shams, the Mirada's bedroom is the perfect place to crash after your day outdoors. Dual wardrobes and deep drawers provide more storage options for long distance trips.

With fixtures built from stainless steel, porcelain, and glass, the bathroom is both appealingly designed and easy to clean.

EXTERIOR FEATURES

Traveling with large gear? Now it's easy to stow, thanks to the spacious pass-through basement.

The super supportive Tread Lite™ power step makes it easy to board and exit safely.

Our digital owner's manual is easy to access and supplemented with videos, Power Points, and step-by-step directions so you always have the information you need.

FLOORPLANS

Mirada features more spacious, more comfortable floorplan options than ever before.
