240FS shown with Cocoa Ash cabinets and Sunset décor
The Coachmen Leprechaun offers you better construction and interior appointments than others in its class. Generations of Leprechaun owners appreciate it’s long list of safety and convenience features. Others will admire your ability to differentiate yourself with Leprechaun’s styling. Treat yourself to an expansive list of standard features and rich appointments including night shades, raised panel hardwood upper cabinet doors and upgraded flooring and furniture. For over 50 years, Coachmen has been providing a product you can rely on. You’ll take pride in ownership of one of the top selling brands in the industry.
LEPRECHAUN EXTERIOR FEATURES

Warehouse exterior storage – made of anti-corrosive polymer plastic, the seamless and durable exterior storage compartments are built to last.

Standard ONAN 4.0kw gas generator gives you 30 AMP power when shoreline power is not available.

Leprechaun's one-touch power awning features adjustable arms for ease of use.

Molded fiberglass front cap with LED lights is stylish and aerodynamic, adding an automotive touch. (optional)

Even Cool™ air conditioning system is ducted through the crowned, vacuum-bonded roof. The system uses AMOCO insulated ductwork with radiused corners to provide maximum cooling efficiency.

**LEPRECHAUN**

### STANDARD AND OPTIONAL FEATURES

**Décor**

- **Cognac**
- **Sunset**
- **Brownstone**
- **Cocoa Ash**

---

**GVWR (Gross Vehicle Weight Rating)** is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GCWR (Gross Combined Weight Rating)** is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

**GAWR (Gross Axle Weight Rating)** is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

**UWW (Unloaded Vehicle Weight)** is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit’s axle(s), including full fuel, all fluids and LP Gas. The UWW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

**CCC (Cargo Carrying Capacity)** is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UWW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

Each Coachmen motorhome is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Coachmen motorhome prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further towing information.
Free One Year Membership – Coachmen Owners' Association

Coachmen is proud to sponsor the largest manufacturer sponsored camping club in North America — Coachmen Owners’ Association (COA). COA provides a broad breadth of value propositions for our owners including: planned trips/tours and rallies at bulk rate discounts, free trip routing, free campground directory, free Easy RVing magazine, theme park discounts, fuel discounts, mail forwarding, a dedicated COA web site, local and state club activities and Caravan Chapter membership opportunities. Most importantly, COA enhances the Coachmen ownership and RV lifestyle experience.

Every new Coachmen RV buyer is eligible for a 1 Year FREE membership in the Coachmen Owners’ Association. It all adds up to an easy ownership experience!

Travel Easy™ Roadside Assistance

RVing is easier with Coachmen’s Travel Easy™ Roadside Assistance provided FREE the first year of ownership to those who purchase a New Coachmen RV.
